Details of session / competition:

Weekly Club training sessions AM and PM.

Facility: (Information to be provided for each facility)

25 meter swimming pool with teaching pool at one end. Lifeguarded for every club session. Multiple fire exits surrounding the pool and pool alarms at each lifeguard station.

Process for accident reporting:

All incidents in the facility of the sports centre must be reported to the duty manager. Immediate poolside incidents are to be dealt with by pool staff. Further assistance is asked for if needed.

As outlined in the facility emergency action plan (EAP) what action should be taken in the event of an emergency?

Assessment of the incident at first, whilst dealing with the lifeguards and staff. If further emergency services are required, the pool will arrange this. Contact with parents should be immediate. All pool sessions stopped if necessary.

Details of where the emergency contact details of swimmers and volunteers helping in the session are held:

All contact numbers and email addresses are held by each coach. A large database can be accessed through the club secretary. Welfare also have all the personal information held securely. The pool will have contact details for all club staff.

Identify the location of the facility first aid kit and phone to use in case of emergency:

Multiple first aid kits around poolside. One in the deep, one in the shallow end. Personal phone or the staff radio can be used to call for further assistance depending on the severity.
